12th November, 1937.

Dear Sirs,

With reference to the classification in this Society's Register Book of the s.s. "QUARRINGTON COURT", I beg to acquaint you that the Committee have today had before them a report received from the Society's Surveyors at Yokohama, from which it appears that this vessel has been examined afloat and by a diver after grounding.

So far as could be seen no damage has been sustained, but it is recommended that the vessel be examined in dry dock at your convenience.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
