

"QUARRINGTON COURT"

Mr. Chambers of Messrs. Haldin & Philipps has been communicated with by telephone and informed that Mr. McGlashan has already been authorised to furnish any information desired to Messrs. McIvor Kauffmann, and in this connection he was referred to the Secretary's letter of 14th instant.

Mr. Chambers stated that possibly what Messrs. Holman desired was a statement from the person who typed the certificate or actually handed it over.

It was suggested to Mr. Chambers that a further communication should be sent to the Secretary on this point and he stated that if necessary this would be done.
