Dear Sir,

"QUARRINGTON COURT" - Total Loss.

The New York lawyers representing our P. & I. Association have asked for the names of the witnesses at Yokohama with whom they wish to get into touch in connection with the Certificate of Seaworthiness issued by your representative there.

In reply to your enquiry as to why this should be necessary, Messrs. Holman's inform us that the real difficulty is that the Certificate issued in Japan may not be accepted as evidence without proof by the witnesses who issued them. In these circumstances, therefore, would you be good enough to authorise your Agent at the above port to communicate with Messrs. McIvor Kauffmann at Tokyo and reply to any questions they like to put.

Yours truly,
