Dear Sir,

S.S. "QUARRINGTON COURT"

We beg to confirm telephone conversation this morning in regard to the foundering of the above vessel in the Red Sea in December last and reporting to you that the Solicitors acting for us in the U.S.A. had been unable to obtain from your representative at Yokohama, Mr. McGlashan, his report in connection with survey work that was effected to the vessel when she was there in October last.

We would mention that the Salvage Association have been good enough to instruct their representative at Yokohama to give our Club's Representatives in Tokio - Messrs. McIvor & Kauffman all the information they can in connection with this vessel, and we should greatly appreciate if you would be so good as to cable Mr. McGlashan to give all the information required by our Japanese Lawyers, namely, Messrs. McIvor & Kauffman, at Tokio.
