LONDON

August 8th, 1941

Sir:

S.S. "QUARRINGTON COURT"
No. 32279 in 1937-38 R.B.

Referring to your letter of 4th January, 1939, the case of the above vessel has now been decided in the United States Circuit Court of Appeals, and it is considered unlikely that it will go any further.

It is thought that the Committee might be interested in the decisions of the two Courts, and a copy of each decision is therefore enclosed herewith.

I am, Sir,

Your obedient servant,

John S. Heck

Principal Engineer Surveyor

The Secretary,
LONDON.
