Dear Sir,

I have to advise that the S.S. "Lyngenfjord"  
No. 29116. & classed in the Register Of this Society stranded  
on the rocks 14. 1.38. at the mouth of the Tzitikama-River  
(about 20 miles west of Cape St. Francis) and became a total  
wreck.

There was a fog over the land but clear to sea at the time  
The Master reports that the vessel had set in about 15 miles  
off his course. No inquiry will be held here, I understand  
this will take place in Oslo. (Norway) where the ship is  
Registered.

I am Sir,

Yours faithfully

Secretary Lloyd's Register  
Of Shipping London.
