Secretary,

Lloyds Committee for the Survey & Registry  
of Shipping,

L O N D O N.

Dear Sirs,

S.S. "Colusa".

Since writing you today, we have learned from Mr. Green

Ed Hill that the 90 fathoms 1-3/8" chain is at the Proving  
house at Netherton.

Hoping you will manage to get the matter through for us in time.

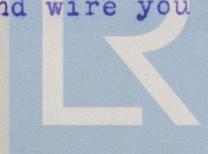

We are,

Yours faithfully,

William Hamilton & Company, Ltd.,

*John Harvey*  
Director.

P.S. Since writing the above we have you wire which reads as follows:-  
"Colusa have wired Superintendent proving house arrange work  
"overtime if at all possible and wire you as desired".
