Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

Enclosure

31st March, 1913.

Sir,

I am in receipt of your letter of the 29th instant
S. respecting the completion of the machinery survey of the steamer
"COLUSA", and I have also received your telegram of to-day
as follows:-

"COLUSA TRIAL DEFINITELY FIXED EARLY WEDNESDAY KINDLY
"FORWARD MACHINERY CERTIFICATE HERE TO-DAY"

In the special circumstances the Certificate for the
hull of the vessel is being forwarded to the Greenock Office
by to-night's post, and I enclose herewith the machinery
Certificate, but I have to add that it must be clearly
understood that neither of these documents is to be handed
over until the survey of the machinery has been satisfactorily
completed by the adjustment of the safety valves under steam
and the trial of the engines under steam.

I shall be glad to receive a telegram when the
above requirements have been complied with.

I am, Sir,
Your obedient Servant,

The Secretary,
GLASGOW.

Secretary.
