Dear Sirs,

*S/S Venezuela No 35945 in R.R.*

M. I have to acquaint you that Mr. G. Beentjes, of the Amsterdam Dry Dock Co., called at this Office today and handed in a plan, in duplicate, shewing a proposal to remove all the passenger accommodation in this vessel including the deckhouses on the bridge deck and to convert the vessel into a purely cargo ship.

The plan in question was discussed with him and a copy, with scantlings amended to show what could be recommended to the Committee for approval, was handed to him for his guidance.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
AMSTERDAM.
