

s.s. "VENEZUELA" - No. 35945 in the Register Book.

Mr. G. Beentjes, of the Amsterdam Dry Dock Co.
called at this Office today and handed in a plan/^{in duplicate} shewing a
proposal to remove all the passenger accommodation in this
vessel including the deckhouses on the bridge deck and to
convert the ship into a purely cargo ship.

The plan was discussed with him and a copy with
scantlings amended to shew what could be recommended to the
Committee for approval was handed to him for his guidance.

The Amsterdam Surveyors should be advised.
