22nd April, 1921.

I return herewith one copy of each of the
forwarded by you to Mr. Dykes with your letter of the
stant of the oil fuel bunkers and settling tanks
and for the S.S. "WESTMINSTER ABBEY", and with regard
I have to state that provided the arrangements be
out as shown and amended on the plans, and to your
action, the same will be approved.

The flash point of the oil fuel to be
should be above 150°F., and the remaining requirements
tion 49 of the Rules should be complied with where
able.

You should satisfy yourself as to the
tion of the existing structure forming the boundaries of
l tanks.

One copy of each of the plans is being
ed in this Office for record, and the approved plans of
p section and profile forwarded for reference are also
ed.

Plans of the proposed oil fuel burning
arrangement and oil fuel burning installation should
warded for consideration.

I am, Dear Sir,
Yours faithfully,

C. Bahr Esq.,
BREMEN.
