21st April, 1921.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 20th instant, respecting the proposal to dispense with the removal of the whole of the linings in the bridge and poop space in way of the accommodation of the S.S. "WESTMINSTER ABBEY", which vessel is now under survey at Bremen, with a view to classification with this Society, and in reply thereto I am directed to state that provided the Society's Surveyor is of opinion that sufficient lining has been removed to satisfy himself of the general condition of the frame, shell etc., in these spaces the amount of lining removed will be considered satisfactory.

The Society's Surveyor at Bremen is being informed accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.
