

S. S. "ADOLPH WOERMANN" 6263 tons gross.

This vessel was built at Hamburg in 1906
with the Germanischer Lloyd.

She has now been under survey at Newcastle,
to classification with the Society, from the 5th
of Jan'y., 13 visits having been made to the hull
and machinery.

The Survey for 2nd S. S. No. 3 with a view
to classification is not yet completed, and as the
vessel is proceeding to Amsterdam for the completion of the
survey the Surveyors at that port should be furnished with
the Report.

It is submitted no action be taken with
the fee until the Survey is completed at

The Surveyors at that port should forward their
statements to this Office as to the fees proposed to be
charged at their port.
