Sir,

Ex-German Steamers "ADOLPH WOERMANN" and "TANNENBERG"

In reply to your letter of the 15th instant,  
g to state we are informed by Mr. Brewer that these  
ls have been accepted by his Principals subject to the  
examination of bottom, and that it is proposed to submit them  
classification with the Society! As, however, it will be  
inconvenient for the Owners to deal with so many classification  
sys at the same time, these vessels will probably be  
itted for a general examination with a view to the issue of  
aths certificates, the matter of the Special Survey etc.  
e dealt with at a suitable opportunity within that period.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,  
per

Secretary,

London.
