

s/s "ADOLPH WOERMANN" & "TANNENBERG"

98

called and saw Mr. D.W. Pinkney, of Messrs. D.G. Pinkney & Co.  
regard to the above vessels and was informed that Mr. Brewer  
their Superintendent was at present in the Tyne, but they  
could communicate with him and ask him to get into touch  
with the Society's Surveyors at Newcastle in regard to the  
surveys which require to be carried out on these vessels.  
Pinkney stated it was anticipated the "TANNENBERG" would  
be decked about the 20th instant but the date of the decking  
of the "ADOLPH WOERMANN" had not yet been decided.
