FREEBOARD REPORT on the S. S. VENEZUELA

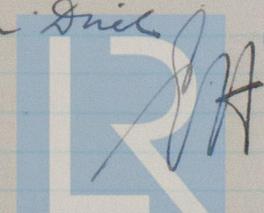

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to

- (1) The bearing surface of the hatch beams to the hatchways in the forward well and on the bridge deck being increased in width to convention requirements.
- (2) Suitable provision being made for rigging lifelines which should be available for use in any part of the ship, which may have to be used by the crew in the regular working of the ship.

The usual copies of the report should be sent to Messrs Leuvenhuy and Van Diek.
