19th January, 1921.

Dear Sirs,

I am in receipt of your freeboard report No. 74024 on the S.S. "ADOLPH WOERMANN", and with regard thereto I have to request that you will give particulars of the freeing port area in the well on each side of the vessel, this information having been omitted from your report.

The scantlings of the bridge front stiffeners should also be ascertained.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-on-TYNE.
