Dear Sirs:-

S.S. "OAKMERE" S.C. first Entry Report No. 241531.

In reply to your favour of the 23rd inst.

We note from same that one of the Anchor heads is 12 lbs. less than the rule requires and another 39 lbs. less, but that the gross weight of the Anchors is correct.

Under these circumstances we are quite prepared to accept the Anchors.

Yours truly,

A large, flowing handwritten signature in dark ink, appearing to read "Arthur M. Watson".
