

Sld. S. B. Co. Is No. 259 ("Oakmere.")

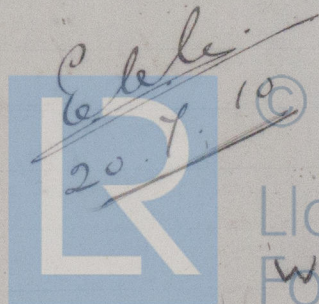

Submitted that Messrs Sykes be informed  
that one of the cast steel anchor heads ~~for this~~  
supplied to this vessel is 12 lbs under and  
another is 39 lbs under  $\frac{3}{5}$  <sup>16</sup> the total weight of the  
respective anchors, and that it is considered there  
is no difficulty in ensuring that the weight of  
each anchor head shall not be less than  $\frac{3}{5}$  <sup>16</sup>  
the total weight of the anchor as required by the  
Rules.
