Dear Sir,

s.s. "PEGAWAY".

With reference to your letter of the 4th instant addressed to Messrs. Witherington & Everett in regard to the Annual Freeboard Survey due on the 10th June next, we beg to advise you that this vessel appears to have been lost at sea yesterday and that in the circumstances your letter is being withheld in this Office.

We are, Dear Sir,

Yours faithfully,

THE SERVICE
COMMISSIONERS

6.4.38

Dear Sir,

bel.

WAB

The Commission has been informed that the plaintiff's vessel is being repaired at present and that it is expected to be ready for service in the near future. It is suggested that the vessel should be allowed to remain in the port until it is ready for service. The Commission has no objection to this arrangement.

Yours faithfully,
The Service Commissioners
