5th February, 1937.

Dear Sirs,

S. Reverting to my letter of the 29th December last respecting the steamer "SHELDRAKE", I beg to acquaint you that a report has come to hand from the Society's Surveyors at this port, from which it appears that the vessel has been generally examined afloat.

The Committee have had the case before them at their meeting to-day, and I have the pleasure to say that in view of the examination now held they are agreeable to the Second Special Survey No.1 being postponed for the present as desired, provided it be completed before the expiration of the year of grace in November next.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
