24th November, 1932.

Dear Sir,

With reference to the Freeboard Assignment in the case of the steamer "SHELDRAKE" I have to inform you that the Special Survey No.3 has now been completed, and that bolted plate doors, with bolts spaced about 6 inches apart, have been fitted to the openings at the after end of the poop in place of the stormboards and riveted channels.

I am, Dear Sir,

Yours faithfully,

Thomas E. Sawden.
