23rd November, 1932

Dear Sirs,

F. I have to acknowledge the receipt of Mr. Sowden's letter of to-day's date enclosing verification of marking form in respect of the steamer "SHELDRAKE", and may say that particulars of the alterations effected have been inserted in the freeboard report.

I think it well to add that the Convention Freeboard Certificate and a certified copy have to-day been sent direct to the Owners, as desired.

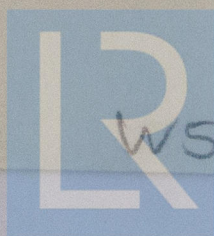

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

LONDON.
