Received from Chief Ship Surveyor .....

F 3 NOV 1936

VESSEL'S NAME "PONAPE" Rpt. Hfs. No. 1312

**The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.**

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Nature of Survey .....

The class is subject to 15 fathoms of chain cable being verified with the certificate of test at the next Special Survey.

The 3rd S.S.No.2, due 8,36, has been partly held.

The Helsingfors Surveyor, who was authorised, reports the vessel examined afloat in August last and the Special Survey advanced.

The vessel was later reported to have been sold to a Latvian Firm of Shipbreakers - see correspondence attached.

It is submitted the Riga Surveyor be requested to inform this Office when the work of demolition has commenced.
