Dear Sir,

A. With reference to the attached freeboard verification in respect of the Sailing vessel "PONAPE", I have to report as follows:-

- (1). The bearing surface of covers of small hatchway under Forecastle has been increased to  $2\frac{1}{2}$ " and two tarpaulins supplied.
- (2). Two tarpaulins have been supplied for small hatchway on poop and one tarpaulin and 2" wood cover for small hatchway in poop.

Efficient battening down arrangements have been provided.

- (3). The panelled wood doors closing the openings in poop bulkhead have been additionally stiffened by  $1/8$ " steel plate backing.

The S.S. 3rd No.1 has been completed except for repair or replacement of one length of chain cable, which matter is to be attended to at Mariehamn.

I am, Dear Sir,

Yours faithfully,

*Chas. H. Stocks*
