

FREEBOARD REPORT on the

Sailing Ship "Ponape".

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to:-

- ✓ ① The bearing surface of covers of small hatchway under Forecastle being made to comply reasonably with the Convention, and two tarpaulins being provided for this hatchway.
- ✓ ② Two tarpaulins being provided for small hatchway on Poop and one tarpaulin and wood covers being provided for small hatchway inside Poop, and efficient battening arrangements being provided for each of these hatchways.
- ③ The panelled wood doors closing openings in Poop Bulkhead being replaced by solid doors, or being strengthened to the Surveyor's satisfaction.

The Convention Freeboards being greater than the existing freeboards, the latter have been re-assigned.
