

COPY.

Copy of letter received from the Genoa Surveyors dated
1 March, 1909.

The Owner of the steel, 4 masts, barque "REGINA ELENA"
No. 103 in Reg. Book, states that he has not received the
Certificate for the Special Survey No. 1 passed in N.S.W.
April 1908 and asks if you will be good enough to send it
forward to his address in Genoa at your convenience.

He has also applied to have the freeboard revised
for the present Tables, and we enclose the usual request form
for the same, and will be glad to know if you require us to send
particulars of the vessel for this purpose.

(Signed) Maurice Ritsen.
