E.C.3.

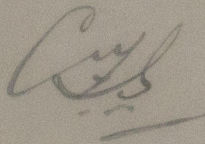

To the Surveyor at GIBRALTAR.

Vessel's Name, S.S. "GARDENIA".

QUESTION.

ANSWER.

With reference to your letter of the 27th November last, relative to the Boiler Survey of this vessel, I shall be glad to learn how this now stands.

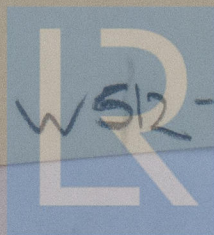

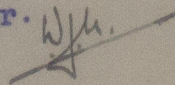

Date:— January 16th, 1934.

This vessel is still laid up. The Owners state that I am to have an opportunity to examine the interior of the boilers when an intending purchaser comes to view the vessel, or of re-commissioning.

Negotiations are in hand for her sale to Italian Owners.

The valves and mountings were opened out for examination, placed in good order and closed up in December.
