Dear Mr. Kendall,

Your letter to hand regarding the freeboard assignment for the S.S. "BELGIC", and I am sorry to find that the words "2" lito sito on" were omitted on the assignment letters. It should of course be " $\frac{1}{2}$ " above 2" lito sito on iron deck" as given on your report, and amended letters are being sent to substitute for those previously sent to you and the Builders.

With kind regards

Yours faithfully,

*Geo R Mares*

BELFAST.
