

Rule. - 25 Tank + 20

COPY.

2 ENCLs.

25th November, 1911.

Dear Mr. Sneddon,

In reply to your letter of the 22nd re freeboard of Messrs. Palmers Co's No. 812, the provisional freeboard assigned on the 8th March last is the minimum Table A limit for the particulars furnished and with the bridge allowed for as then proposed, having the front closed and open passage ways aft.

In my opinion the construction and stiffening of the bridge front bulkhead should be in accordance with the requirements of the Rules, Section 45, paragraph 11.

I return the plans herewith.

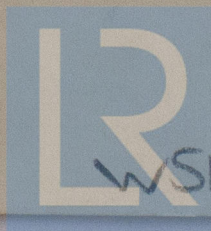

With kind regards,

Yours faithfully,

Geo. R. Mares

A. R. Sneddon, Esq.,
