10th May, 1937.

Dear Sirs,

H. With reference to my letter of the 4th instant addressed to the Owners of the Paddle Steamer "BOIELDIEU", a copy of which was forwarded to you, I have to acquaint you that they have now signed the Undertaking required by the Committee, and I shall be glad if you will keep the case in mind/should the vessel leave your district without having the outstanding surveys dealt with.

I think it well to add that the Owners state the vessel will in all likelihood be sold shortly for breaking-up purposes.

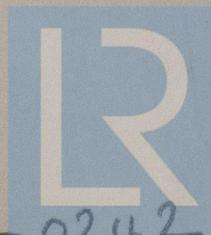

I am, Dear Sirs,

Mours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

HAVRE.
