ENCLOSURES.

4th May, 1937.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "BOIELDIEU", I beg to acquaint you that the Committee have had this case before them today, together with a communication from the Society's Surveyors at Havre, from which it appears that the vessel is still laid up.

As you are no doubt aware, the 3rd Special Survey No.3 of this vessel became due in April 1936, and in view of the fact that the year of grace allowed for the carrying out of this inspection expired at the end of last month, the Committee can only agree to her class in the Register Book remaining undisturbed for the present, whilst laid up, on the conditions set forth in the enclosed letter of undertaking.

I shall therefore be glad if you will kindly sign the form in question, a copy of which is also enclosed for your files, and return it to me in due course.

I am, Dear Sir,  
Yours faithfully,

Messrs. Cie. Rouennaise de Navigation, S.A.R.L.,  
Cours Boieldieu,  
ROUEN, France.
