Dear Sir,

S.S. "ITALIAN PRINCE."

Thank you for your two letters of yesterday's date.

I note that the negative of Mr. Chapman's Journal contains all the particulars relating to his survey.

I have to thank you for the information concerning the hydraulic testing of the oil discharge pipes. Perhaps you would be good enough to let me have a negative of the relative portion of Mr. Rutter's Journal dealing with this matter so that the Court may have full information as to what was done.

Yours faithfully,

*S. Rowland Tansley.*
