ENCLOSURE.

7th December, 1938.

Dear Sirs,

M.

I return herewith the statement, forwarded with Mr. Chapman's letter of the 6th instant, in connexion with the Enquiry to be held into the loss of the S.S. "ITALIAN PRINCE", and have to state that as there is no statement in his Journal that he examined internally the double bottom tank under the boilers, and as he did not sign the Report on the survey on the hull, it is considered the words "the double bottom tank under the boilers examined, tested and found satisfactory" should be deleted.

I shall therefore be glad if Mr. Chapman will forward an amended statement, after signing, without delay, for transmission to the Board of Trade.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
FALMOUTH.
