23rd November, 1938.

Dear Sir,

s.s. "ITALIAN PRINCE."

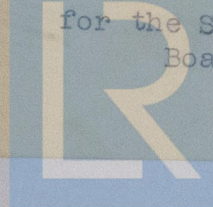

It will be necessary for your Engineer Surveyor, who was concerned with the Special Survey carried out in May, 1937, to attend the hearing of the Formal Investigation into the circumstances attending the loss of the above-named vessel and give evidence with regard to his inspections or examinations of the engines, boiler room and stokehold.

In order that I may know what the Surveyor can say, would you be good enough to arrange for him to see me here some time on Friday next, if this is possible. The hearing of the case has been fixed to commence on the 19th December and I shall be going to Ireland early next week in connection with the s.s. "ANNAGHER" case, and I hope therefore that you will be able to arrange for the Surveyor to see me on the day which I have mentioned.

Yours faithfully,

The Secretary,  
Lloyd's Register of  
Shipping,
