22nd November, 1938.

Dear Sir,

s.s. "ITALIAN PRINCE."

It will be necessary in this case for Mr. Bryden to attend the hearing and for him to deal generally with all freeboard matters and surveys concerning the above-named vessel. In addition, the Engineer Surveyors who dealt with the vessel in May, 1937, and in March, 1938, should attend the hearing. Would you be good enough to instruct them to draw up statements covering their inspections of the vessel; and, in particular, ask them to deal with the fire fighting appliances in the engine room and any other matters which may have bearing on the cause of the vessel's loss.

Yours faithfully,

*S. Rowland Daisey.*

Board of Trade.
