Dear Sir,

m. s. "CAMPEADOR"

With reference to your letter of the 1st instant regarding the Signal Letters required of the above named vessel for insertion in the Register Book, we are informed by the Owners that arrangements are being made for the registration of the vessel at Santander, and that as soon as they are aware of the Signal Letters assigned to the vessel, they will let us know, in order that these may be recorded in the Society's Register Book.

We may add that the amount of Pesetas 21, being the equivalent of 10/6, was duly paid by the Owners on issue of the extra copy of the certificate, which amount was duly entered in our Transcript of Rough Fee Book for the week ending Saturday the 9th instant, but we shall be glad if you will kindly insert a note in same as the amount having been credited to the London Office.

We are, Dear Sir,
Yours faithfully,
