19th May, 1933.

Dear Sir,

With reference to your letter of the 20th and my reply of the 28th ultimo relative to the assignment of Convention freeboards to the tanker "CAMPEADOR", I have to acquaint you that the new freeboards were marked on the vessel's sides and verified at Philadelphia and that the Surveyors report that efficient closing appliances have been provided for all air pipes.

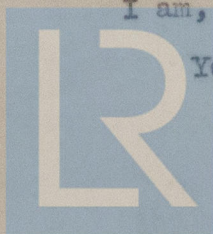

As, however, the vessel sailed before the arrival of the Convention freeboard certificate and certified copy in this case, the Philadelphia Surveyors have issued a provisional freeboard certificate and I accordingly send herewith the former certificates for issue to the Owners.

I have to add that the copy of the certificate for the Spanish Authorities will be forwarded on receipt of their approval of the assignment.

I am, Dear Sir,

Yours faithfully,

R. Crawford, Esq.,
BILBAO.
