

W516-0057

REPORT on the M/s. "Campeador"

It is submitted the CII form be sent to Mr. Crawford for Mr. Beraza to translate all information therein into Spanish, inserting it on a Spanish CII form. He should forward the latter to the Spanish authorities for approval informing them that it is considered that efficient means of closing should be provided for the springs of the airpipes satisfying the requirements of the Convention. ~~A copy of the first board certificate should also be sent to Mr. Crawford for transmission to the Spanish authorities.~~ He should ^{also} inform them that the certificate is being issued in this case, when the first boards have been marked & verified & the conditions of assignment have been complied with, in accordance with their special permission for urgent cases. Mr. Crawford should return the original report to this office, a photostatic copy being retained in the meantime.
