Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

6th May, 1937.

Dear Sirs,

B.

I have to acquaint you that in January last it was reported in the Shipping Papers that the steamer "RISALDAR" had been sold to Messrs. W.P. Jobson & Co., Ltd., London, on account of Metal Industries, Ltd., Rosyth, with a view to being broken up.

It would now appear that the vessel has arrived at Rosyth, and in the circumstances I shall be glad if you will ascertain and let me know within what definite time it is expected the work of demolition will have started, as the portion of the new Register Book in which this vessel appears will shortly be due for press.

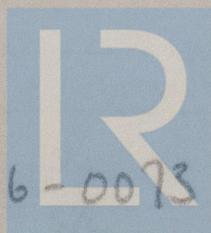

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary.

The Surveyors,

LEITH.
