The Chief Ship Surveyor,

E. C. 3.

Dear Sir,

s.s. "RISALDAR".

We confirm conversation this afternoon advising you that this vessel, which we recently purchased in India with a view to breaking her up on her arrival this side, is due Rotterdam about the middle of April.

We understand that the late Owners applied last year for permission to trade her until the expiration of her Year of Grace which terminates end of May this year.

We have Shanghai Ship-breakers interested in purchasing this vessel with delivery on her arrival, provided we can supply a Sea-worthy Certificate and extension of Class to enable these buyers to work her out to Shanghai, and we should therefore be grateful if you will give this matter your sympathetic consideration and let us know as early as possible whether you will grant the necessary permission.

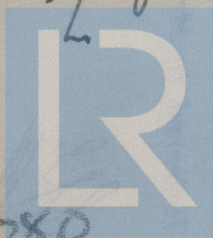

We would add that the vessel will definitely be broken up immediately on her arrival in Shanghai.

Yours faithfully,

For and on behalf of

SPRINGWELL SHIPPING CO. LTD.
