Lloyd's Register of Shipping,
71 Fenchurch Street, E.C.3.

Sir,

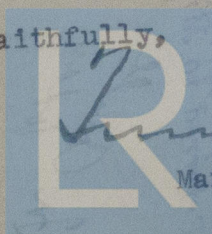

S.S. "RISALDAR".

Referring to conversation with your representative to-day
Classification Certificate of the above steamer is, we understand,
effective until May 1937 and arising out of sale negotiations we are
interested by prospective "scrap and build" buyers if it is possible to have
the certificate extended for a further period of six months to enable
them to trade the vessel for a few months before breaking up.

Will you please inform us if your Committee would be prepared
to grant such an extension to be available either

- (a) to "scrap and build" buyers in the event of
their purchasing the steamer.
- (b) to this Company if a sale is not concluded
by May 1937.

Yours faithfully,
