Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

13th July, 1916.

M. Dear Sirs,

I have to inform you that a report has been received from the Society's Surveyors at Hull on the new Steam Trawler "WYNDHAM", from which it appears that this vessel has proceeded to your port, where the machinery will be placed on board.

To complete the survey the casings require to be riveted and the hand pumps tested, and I shall be glad if you will be so good as to give the case the necessary attention and forward a report on Form 8 in due course for the information of the Committee with a view to the classification of the vessel.

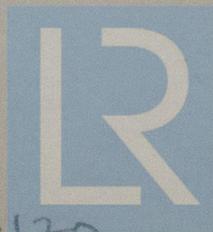

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
GRIMSBY[®]

Secretary.
