

s.s. "SANDGATE CASTLE"

Owned by the Union-Castle Mail S.S.Co. Ltd.

---

A representative of the Owners called at this Office yesterday in regard to the loss of this vessel, and stated that they desire to be furnished with an affidavit, which will be produced in Court in America that her class was in order at the time of the casualty.

The hull and machinery reports have been examined, and it is found that, prior to the casualty, there was nothing outstanding against the vessel, and that her class was in all respects in order.

It is submitted that a letter be furnished to the Owners to the effect that at the time of the casualty (June 1937), the vessel held the class ~~100A~~1, Shelter deck with freeboard, in the Register Book, and that no surveys were outstanding.
