

"SANDGATE CASTLE"

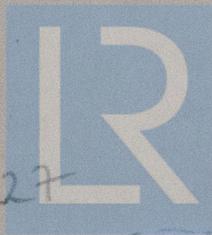

- - -

Mr. Bryan, Superintendent's Department Union  
Castle Line, telephoned and expressed thanks for our letter  
of the 15th instant.

Unfortunately, in their letter of the 8th  
instant on the second page they used the word "we" instead  
of "were" and he would be very much obliged if the names  
of one or two other vessels could be furnished to assist  
in the enquiry in New York.
