Messrs The Surveyors,

Lloyd's Register of Shipping,

SUNDERLAND.

Dear Sirs,

s. s. "SANDGATE CASTLE".

With reference to the date of build of above vessel, we should like to point out that the vessel was launched in December 1920, but has been delayed in delivery owing to labour troubles, and consequent retarded delivery of machinery.

In view of the vessel having been placed in drydock and carefully examined and painted this month, we would be obliged in these special circumstances, if you could extend the date of Build beyond that allowed for in your Rules.

Yours faithfully,

For SHORT BROTHERS, LIMITED.
