Dear Sir,

I duly received your letter of the 8th ^{all} instant regarding the above vessel which was originally purchased by Japanese for breaking up.

This vessel was later sold to Messrs. Kawasaki Kisen K.K. and sent to Asano Dock, Yokohama, in January 1938 for reconstruction which is still proceeding. It is expected that she will be ready for service again in September or October of this year but this is not yet definite.

When the repairs have been completed, I shall advise you, at the same time sending full particulars for record in the Register Book.

I am, Dear Sir,

Yours faithfully,

Waspur
