ENCLOSURE.

22nd March, 1937.

Dear Sirs,

I enclose herewith a copy of a letter, dated 9th instant, which has today been received from the Society's Surveyor at Hong Kong relative to the motorship "SILVEREXPRESS" which was built by Messrs. Harland & Wolff at your port in 1930.

With regard thereto I shall be glad if you will ascertain from the engine Builders and let me know with as little delay as possible whether any special materials were incorporated in the engines which might be adversely affected by a fire in the engine room.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BELFAST.
