Dear Sirs,

F. I am in receipt of your forms in connexion with the Load Line Survey held by you on the Panaman s.s. "NAUSICAA", the contents of which have been noted, and I enclose for your information a copy of a letter which has today been addressed to the Society's New York Office in connexion with the issue of Panaman Load Line Certificates.

It is concluded that the Tropical Fresh and Fresh Water Load Lines are still marked on the vessel's sides, but I shall be glad if you will confirm this.

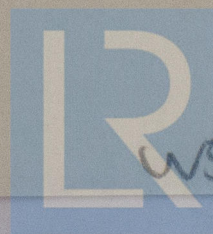

I am, Dear Sirs,

Yours faithfully,
