Enclosures.

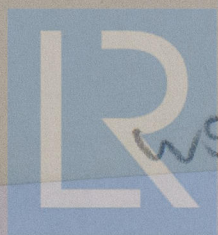

20th May, 1924.

Dear Sir Robert,

With reference to the interview which the Chairman and Deputy-Chairman had the pleasure of having with you today regarding the corrosion which has taken place in the case of the steamer "NAUSICAA", I beg to enclose herewith, as desired, the principal papers which I hope will be sufficient for your purpose.

Yours faithfully,

Sir Robert A. Hadfield, Bart., D.Sc., F.R.S.,
22, Carlton House Terrace,
S.W.1.
